

GOLF OUTINGS AT TEDESCO COUNTRY CLUB

Golf outings are a great way to show appreciation, fundraise, raise awareness and socialize. Golf outings provide a friendly source of competition among friends, colleagues and supporters. A golf outing at Tedesco Country Club will help draw participants who otherwise would not have the opportunity to play this historic and very prestigious North Shore golf course.

Our full-service golf professional staff is here to take care of tournament administration, merchandise special orders and scoring. They will discuss formats and help you plan contests and games that will spice up the competition amongst golfers or drive additional revenue for your organization.

Sweeping views from the back terrace offer a view of the course and the opportunity to see the last groups finish while enjoying pre-meal cocktails.

Our staff is here to meet your every need in the clubhouse or beautiful garden tent.
